## How to advertise on Senior Dance Partners

Advertising on Senior Dance Partners is very easy and straightforward. If you experience any problems please let us know .

When you decide to advertise you have to fill out a short form. This is the information the form will ask for.

### First question

You will be asked to select a category from the 'Advertise in' drop down menu. Please select your County (UK & Ireland) or State (USA). For example if you are a lady in Florida you would select 'Ladies in Florida' from the drop down menu.

### Second question

You will be asked for a headline for your advert. Perhaps something like "Lady, 54 seeks partner in Tampa".

### Third question

You fill out a description box describing yourself and what you are looking for. A typical advert might be something like:

"Lady, 54 years old. Fit and active. 5ft 6in tall. Slim build. Keen social ballroom dancer. Looking for a dance partner for classes and social dancing. Happy to travel, have own car etc."

### Fourth question

Upload a photo, this is optional but if you would like to upload a photo of yourself you can.

### Fifth question

Enter an email address. This is the address any enquiries will be sent to should somebody want to contact you. At no stage is your email address given out on the website, our systems use your address to send you any messages but other people DO NOT SEE IT.

Once your form has been sent we will check your advert, make sure you have provided all the required information and once everything is in order we will publish it. If we have any questions regarding your advert we will contact you. You will be notified once your advert is live.
